# BACKGROUND

John Lloyd Williams (Postie) was a great Mt Eliza Redlegs Clubman. John passed away peacefully in 2021 after a long battle with illness. Postie's involvement with our club goes back to the 1970's where he was involved at all levels of our club. For 33 years he was our official senior timekeeper and spent 10 years on the committee. Over the decades Postie was involved in everything off field, from fundraising and bingo nights to anything and everything else around the club that needed to be done.

John was timekeeper in our 2001 & 2005 Senior flags as well as several Reserves and U18 finals. An amazing clubman, of not only our football club, but also the Mt Eliza Cricket Club over Summer. For his dedication and unwavering support, he is one of only 2 people to be honored with life membership at both clubs.

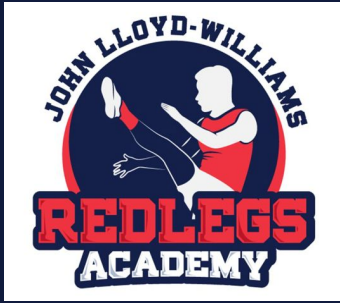

In March 2022, the 'John Lloyd-Williams Redlegs Academy' was announced by John's sister, Sue Lloyd-Williams, in honour of her brother and his commitment to sport in our region. Sue has made a personal financial commitment to the Mt Eliza Football Netball Club of \$10,000 per year in support of the John Lloyd-Williams Redlegs Academy which commenced in 2023. Sue's financial support will be continuous for a period of twenty (20) years.

# BACKGROUND

---

# THE REDLEGS ACADEMY

---

# REDLEGS ACADEMY

The Redlegs Academy was born from the need for the high volume of footballers transitioning from the Mt Eliza Junior Football Club into the senior club of the Mt Eliza Football Netball Club.

It was identified that as players cross over into the senior ranks, there is a significant shift in culture, attitude, pressure and physical competition, all of which require adaptation from boys and girls who are typically around the age of 17. With a structured approach from the JLW Redlegs Academy there is an opportunity to support these young athletes, and more importantly 'young adults', to equip them with skills to get the best from their bodies and minds as they embark on their journey as they transition in the Under 19's into the adult world of community sport.

# CHARTER OWNERSHIP

---

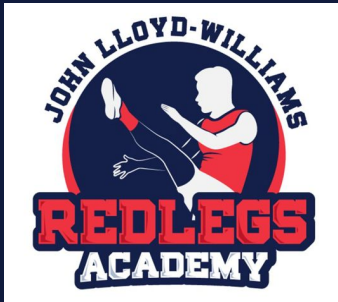

# CHARTER OWNERSHIP

This document is jointly owned by Sue Lloyd Williams and the sitting President of the Mt Eliza Football Netball Club. The current sitting President & Executive Committee (Vice President, Treasurer, & Secretary) will oversee the administration, logistics, financial proposition and outcomes of the Redlegs Academy. The executive committee may allocate champions to help facilitate.

The evolution of this charter is to be listed as an agenda item within the MEFNC Annual General Meeting. Review of this charter is to be undertaken every second year (24 months) and any changes to be presented at the MEFNC AGM

# ROLES & RESPONSIBILITIES

---

# ROLES & RESPONSIBILITIES

The following are the proposed roles and responsibilities of the Redlegs Academy Committee

- Oversee the promotion and communication of the Redlegs Academy
- Communicate with top age junior players and their families regarding the benefits and objectives of the academy.
- Prepare a schedule of deliverables aligned to the success elements as set out in this charter
- Prepare a forecast expenditure
- Agenda at every monthly committee meeting. Goals & actions.
- Quarterly reports to Sue Lloyd Williams.
- Agenda item on the progress at the annual AGM

# ROLES & RESPONSIBILITIES

## Approval Process

Submit following year expenditure to Sue Lloyd Williams By December each year (for the following year) the season planner and proposed costs. Payment will be made in October each year. (prior to receiving expenditure reports)
